Dear Mr. Bard!

By this letter we would like to express our deep respect to You and gratitude for Your kind and constant humanitarian aid to the people of Ukraine, who are fighting for their freedom and democratic values since February 24, 2022, when the russian troops have started its cynical and barbaric invasion.

Taking the opportunity, on behalf of Odesa residents, we would like to ask for Your kind humanitarian assistance, if it is possible, mainly in the form of medical equipment for the hospitals.

We will be hugely grateful for the provision of this humanitarian support at this severe time for the city of Odesa. We would kindly like to wish Your organization prosper in the future. We hope You will continue help Ukrainians who are suffering from the unjustified russian invasion.

Recipient: Municipal Institution «City Center for Humanitarian Aid, Information and Economic Support», Code 26343192, 65023, Ukraine, Odesa, I.Tolstoy Street, 7.
